C.H.I. OVERHEAD DOORS

9' x 7' 4285 white with optional two-piece sunburst window inserts

MODEL 2285 Short Panel, Insulated

MODEL 4285 Long Panel, Insulated

MODEL 2286 Flush, Insulated

- Section joints are roll-formed into a tongue-and-groove design which produces a superior weather seal
- Long-lasting durable rollers assure consistent, efficient operation
- Heavy-duty 14-gauge hinges with "wide body" pattern for greater stability and longer life
- Extension or torsion springs are individually computer-calibrated to lift your door
- Extra-heavy paint system includes .25 mil. primer with rust inhibitor and a .75 mil. coating of baked-on polyester paint in your choice of white, almond, sandstone, brown, bronze, silver, or evergreen
- Concealed steel plates run continuously from top to bottom of each section for fastening hardware
- White, powder-coated hardware is available as an option
- White painted end stiles
- Bottom weather seal utilizes an aluminum retainer and extruded virgin vinyl
- Optional automatic latching lock system opens easily from inside or outside
- Double sided steel doors are 2" thick
- Raised panel R-value - 8.07*
- Flush panel R-value - 8.72*

A beautifully sound, top-of-the-line model designed to be both energy efficient and low-maintenance. This door features a pre-painted, easy-to-clean steel exterior with an insulated core and is built to fill the most demanding requirements. Owners will soon find themselves taking for granted the longevity, durability, and smooth operation which come naturally to a door built this well.

ATTRACTIVE.
RELIABLE.
