PLYCO

Roof Cupolas

Curved Roof, Straight Roof, Lited Sides, Premium Base and More... Plyco has the Cupola you're looking for with many possibilities.

We have incorporated:

- Available in 24", 36" and 48" sizes with either straight or curved roof panels. The entire 24" and 36" cupola is constructed of 29 gauge prepainted steel. The 48" cupola has a 26 gauge prepainted steel roof.
- Prepainted steel construction. Colors and color combinations, that match most roll-formed steel colors. Specify roll-former when purchasing.
- Assembles on job site in minutes with slide on metal connectors for straight or curved roof and wall sections.
- Bird screen included for mounting in curb.
- Roof interlocks with sides for tight connection.
- All metal joints feature "Tog-a-Loc" construction, for non-rusting permanent construction.
- Optional curb cap if no air flow for ventilation is required.
- Packaged KD for economical shipping, with fast, easy assembly on building site

Lited Cupolas

- Full perimeter reinforced hemmed angles for rigid window frame opening.
- Galvanized steel internal gussets for diagonal strength.
- Plyco manufactured acrylic glazed white aluminum windows installed in each side with permanent silk-screened gridwork.
